

# Lace Freestanding

The New Look Lace Freestanding is bigger, brighter and better at the same price as its predecessor. A combination of long-lasting, rust resistant aluminium, with classic styling of "Chantilly Lace" and now complete with a barrel lock.

Our identification plate "Letters" is CAST IN, not a transfer or stick-on lettering. The letterbox with a touch of Chantilly Lace, for the discerning home owner.

Available in the following colours:
